

"Our payroll has been going very smoothly since we switched to NEBS PAYweb.ca. It is good to have a dedicated person assigned to your account who knows your situation, is very knowledgeable and has a good response time.

NEBS PAYweb.ca's attention to all details, excellent customer support, accuracy and time lines, not to mention the cost savings makes it a good choice for the Hotel/Motel and hospitality industry."

**Carmela Meffe, Payroll Administrator,
Monte Carlo Hotel Motel International**
