

Top 10 reasons to outsource your payroll

Top 10 reasons to outsource your payroll

1. CONFIDENCE

PAYweb.ca by NEBS, a Deluxe Company, takes care of everything. We'll handle all the calculations, direct deposits, governmental tax remittances, staying current with changing rules and regulations, plus all required record keeping and reporting so that your payroll is processed efficiently, accurately, and right on time.

2. ASSURANCE

Never fear paying late penalties for remitting your governmental source remittances late. We ensure your taxes are remitted right on time, every time.

3. AFFORDABLE

Our payroll service is an affordable option for every business. Our flexible service plans are designed to grow with you, so you pay only for the payroll services you need.

4. EFFICIENT

You can trust the team of experts at PAYweb to manage your payroll, leaving you (or your employees) free to focus on your business. You won't have to worry about payroll during vacation or illness, or someone else preparing your payroll and keeping your records up to date.

5. WORRY FREE

At PAYweb, it's our business to stay current with the ever-changing tax rules and regulations. When you choose our payroll service, you won't have to worry about filing tax-related paperwork.

6. SUPPORT

You know how complex, confusing and time consuming payroll calculations can be. The professionals at PAYweb have the specialized training needed to manage your payroll (large or small) efficiently and accurately. Our team will get your payroll out on time, while ensuring that your business is complying with all payroll tax obligations.

7. PRIVACY

It can be embarrassing and detrimental to morale if the wrong eyes fall on your payroll information. By outsourcing your payroll, sensitive and confidential payroll data is calculated off-site, so there's little chance of breach in confidentiality.
